## THE MIX OF INTERACTIONS BETWEEN SCIENCE, RELIGION AND PHILOSOPHY IN PRACTICE

This book attempts to start a conversation on the interrelationships between science, religion and philosophy and what the end product of the deliberations is in terms of the purpose and meaning of life itself as far as human beings are concerned but taking into account the evolution of the species that led to the development of the mind.

What are the interrelationships between science, religion and philosophy: the author explores.

But science and religion are never exhausted so long as one lives on, for there is always scope to learn the fullest extent of the combination of science and religion and arrive at a conception of Reality that works to ensure peace of mind and progress in all one's material endeavours. Slow and steady wins the race to find the truth and arrive at a religion that incorporates the best science

known to man and conceptualise the remainder into a raison d'être for living. Through the process of neti neti, one discards hitherto truths and religious thoughts to march on relentlessly towards the goal for total knowledge and the usage of that knowledge in one's moment by moment existence. So for me on the 19 of March 2020 today all philosophies born of ignorance have been supplanted by the religion of Vishista-advaita Vedanta in a non-duality that accepts the existence of God as Creator of Brahman, the universe, the Self that is approached by unattachment to all ego-based understandings to be at one with the truth. The truth is that God resident in our psyche as Om leaves us to our own devices and Creation has everything necessary for human beings to live out their lives productively and constructively so that one has meaning to one's life. Without religion the ship cannot sail forwards and in its finest conception there is a new horizon to travel towards each moment of time, nonchalantly, spontaneously and unpremeditatedly, without fear for all ignorance has disappeared from the mind.

Philosophy is for the ignorant, who have not spent time and effort studying the Nature that we are part of and the means of understanding that Nature is a process known to me as satya-advaita yoga, or the yoga of truth-accommodation. It is a process of living, and it goes on as part of Vishista-advaita Vedanta so long as one lives.

Truth accommodation is a highly self-protective way of living one's life for the reason that when the full truth is realised in Vishista advaita Vedanta, one is the Self, the Brahman which is the Self-preserving universe. The Om or God is at this point redundant consigned to the dormancy of the psyche, and this God as Creator is redundant.

To  
 Kent Police  
 I believe that my wife has been in contact with Kent Police during the past week or two concerning Kent Police's forensic examination of materials taken from our holdings.  
 I had approached Slater and Gordon whom I paid £150 Consultation Fee to advise me on inter-alia the attached matter of my arrest and detention: NorthKentPoliceReleasewithoutBail.pdf, and the matter went to the Centre for Effective Dispute Resolution, but I have not received any advice from these bodies of the State.  
 So this morning, bearing in mind that I wish to draw a line under all my legal matters, and in so doing reiterate my protest that I have never knowingly done anything wrong, am loyal to the State of the United Kingdom, have never sought to disrupt the workings of the State, and accept the decision of the Judicial authorities that the State acted in the best interests of all concerned, I wish to have a

final clearance that this matter is now over and you will now return our family desktop computer, my USB Memory Stick and my old Mobile Phone so that we can all move on having learnt whatever lessons we all have done from the events of the past 24 years of my life in the United Kingdom. If on the other hand Kent Police still wishes to interrogate me on the Katrina Sale 25 odd criminal anonymous emails or for any other matter relating to my conduct, please do not hesitate to contact me today, Saturday 19 March 2022.

Yours sincerely

*Update:*

This morning I transferred £1000 from my NatWest Account into the Santander Current Account in a bid to make things right and proper with the Banking System and to make it right with Santander. I do not wish conflict with anyone.

I telephoned BP Lenham and had a short conversation offering my deepest apologies for my conduct to Chriran Rai as Store Manager. He accepted my apology as I said that I do not hold anything against him or any one else in the Team that they had all been very kind to me. This apology is from the bottom of my heart. He said that He accepted that and also did not hold anything against me. It just that when you are working in a Team there are procedures to follow. I said Ok. That is all I am telephoning about.

After sending my email to Kent Police and others, my mind was so serene that I placed my hands folded to to my forehead and uttered to God that I know you are there in effect in reverence. Who am I to preserve the idea of Vishista-advaita Vedanta as conceptualised by me and stop the world from knowing that I still pay reverence to God periodically. The concept of the sanatan dharma religion may yet incorporate Him/Her for all that I know at this moment in time. So long as the mind is agitated, truth has not been discovered.

*Update:* this is because I have a religion, it is called Vishista-advaita Vedanta. I take impositions to truth accommodate, but I am not interested in medical interventions to prolong my life which is meaningless to me. I am the Self, Brahman, God-Created Brahman, I live to that. God lying dormant in my psyche is not to be consulted over this decision. He is surplus to my requirements and I do not attribute any of my decisions to a God-inspired religion. Sanatan dharma begins with a small 's', not capital 'S' I live or I die it means nothing to me.

##### **God alone is our goal**

in Spirituality

<https://www.knowledgeforworldconservation.com/forum/spirituality/god-alone-is-our-goal>

Swami Vivekananda is reported to have said: God alone is our goal. Failure to reach God we die. There really is no other purpose to human existence. All matters and issues of living with objectives to deal with ones circumstances give fleeting satisfaction from money, wealth, fame or power to control material resources and feed our bodies with resultant animalistic and ego based happiness but these are mundane and short-lived and do not yield continuous peace of mind. So we must keep searching for this elusive entity the Creator to see if this path will be more fruitful.

If there was a Creator, It created the human mind. So, It must have had a purpose for doing so. The mind is not a DNA-gene transcribed entity. Only the brain cells are so. This mind of ours is the proof of the existence of God in us. It can be put to material gains or spiritual gains. Spirit refers to God. When material gains leave the mind still agitated one needs to open up the question of the possibility of acquiring spiritual gains or both material gains and spiritual gains. Is both possible is yet another question.

Material gains mean controlling the external environment like killing a mosquito that is biting you and sucking blood from your body. There are mosquitoes in human form whom we call evil. Killing any kind of mosquito means that one is living like a animal, that is to say a mosquito oneself living to material gains of having good health and a longer life. This is the life of an animal machine.

On the other hand one can look for spiritual gains to see if this provides everlasting happiness or ananda. To go down this path the mind therefore starts to control the internal environment instead of the external environment. When one seeks this it comes from unattachment to bodily matters and its ego but the desire for peace of mind is still present. Then one has knowledge of the nature of the Mind and the Creator of the Mind who bestows spirituality to the seeker.

To go for a balance of material and simultaneously spiritual gains is like having one's cake and eating it. One can only have one or the other. To find God one has to give up all ones material gain

objectives and become intensely spiritual with the purest of minds. Then there is Vishista advaita union with the mind having become the Supermind or Om the association with the Mind of the Creator God. This union makes everything clear

The person who was a 'self' in pursuing material gains is now transformed to 'Self' for spiritual gains alone.

The Self state of Supermind thus attained is not God which is Mind and so still Brahman, the universe created by God. That is the extent of association between living beings and God.

I named our Creator God Sri Krishna/Devi Durga because He/She can through maya come into the mind from Mind which lies dormant generally if there is a special mission that is to be enacted. I do not think it is possible to interact with God otherwise. This is because bhakti and surrender cannot be performed if one has material gains in ones objectives. One needs to be at one with Nature (Brahman, universe) through truth accommodation each moment of one's existence.

### **I live, so I act, but how to act**

in Spirituality

<https://www.knowledgeforworldconservation.com/forum/spirituality/i-live-so-i-act-but-how-to-act>

I live, i breathe my heart is pumping away. I can only sleep for 6 hours so after eating my food, having my bath and so on I have nothing to do. So I write what comes to my mind.

How much longer will this living go on. I have no purpose left in terms of material gains. It is purely spiritual gains that come to mind that I seek, God willing. This takes the form of expressing my truths. Hence, I started writing this post as I lay in bed waiting to go and pick up our daughter from the gymnasium.

I had a burst of diarrhoea in the toilet an hour ago that has left a bad mess for my wife to clean up and she being the perfect homemaker was exasperated with my bad health issues like this. I keep quiet but from time to time say to her that I should die to spare her more agony of having a decrepit husband. I helped her and did what she asked me to to make her day go by easier.

On returning home from the gymnasium my daughter said to me that I should really take care of my health problems. That would be like trying to make the river of my life flow backwards from the ocean of knowledge from which spirituality arises back towards the mountainous terrain of ignorance in its materialism. This will disrupt the peace of my mind for I would be having to cope with falsehoods once again. Better to be in seclusion and avoid all sources of controversies in the material sphere of Reality.

### **16.02 pm (UK-Time) 19 March 2022**

I published the book up to this point in Lulu, internet archive and in The Theory of Everything and posted my mornings email sent to Kent Police, PCC, ICC in the allurement of reality, before tweeting, Facebooking and posting it in LinkedIn without a covering note:

<https://www.theallurementofrealityinreview.com/post/progress-in-kent-police-s-investigation-of-stalkingharassment-by-me-or-unknown-agents>

### **17.00 pm (UK-Time) 19 March 2022**

Now I will see who surfaces. It is appropriate that this book ended up as 43<sup>rd</sup> Section (amounting to a Number '7') under the Theme, The Allurement of Reality'. There will be no more books on this or any other topic; no more posting in Facebook or LinkedIn or Tweeting or publishing in the websites. The madarchs have to take whatever is now published into account and take action on me as they see fit, for Sainsburys had said that I would be told within 48 hours of the interview what the outcome of the application was and the Company has not contacted me.

The question of whether I now go full fledged into God being my Saviour is unclear. I will (clock checked: 17.29 = '3', not '7') remain a Vishista-advaitist with God remaining dormant in my psyche.

'Why were you born, were you born for me, what is the purpose of your existence. It was good when you went away for 8 hours than I was happy because I could pretend this shitbag does not exist in my life. It was not for the money': my wife just said to me to me. I did not react in words or deeds. So the suffering continues. I will have to fight a dharmayudha still in sanatan dharma, the sanatan dharma that is the attainment of Self (Brahman) through the Supermind that is the mahatma. Dharmayudha is intrinsic to Vishista-advaita Vedanta. The websites have to be protected to fight. This is no philosophy, this is religion. I will have to live my religion, God or no God. There is no 100 percent certainty that God supports me even now, so no certainty that He exists, so it could yet be a philosophy and not a religion.

I have written critically this morning in the website challenging a conversation. I need to be proven right. My truths must prevail. Dharma Rakshati Rakshita must come to manifest itself in terms of karma in santan dharma all as Self in Brahman. The duty of a Vishistadvaitist is to protect Brahma-Nature, harmonise, conserve and preserve it. This is done through Conservative Libertarianism. I needed to see a '7' (17.40= '3', and not '7'. Brahman the universe is what I am unified with for I am a '3' by name Shantanu Panigrahi. I will go with that philosophy for now. If I succeed in proving myself, I would then be able to say that it is a religion, not a philosophy.  
eb

The fight must take place on all cylinders, I have to come down to Earth and make the river flow again backwards to join the materialistic brigade of humanity. There is no space in this world for losers. I have to be the Lord of the animal jungle.

Tactics have to change from seeking my fate as I have been doing until now to fighting to stay alive. I will give up cigarettes and smoking to stay alive, to fight until the goal is reached.

Now that everything is published I have to stay off the websites, and jettison it because I have internet archive and Lulu where all the materials are contained. And it is all in the British Library too.

This book will never be updated in Lulu or internet archive but built on and used in legal proceedings.

**No God will give a human being justice in the material world; one has to be active and fight as a dharmayudhi for truth because truth-based dharma prevails.**

#### **19.09 pm (UK-Time) 19 March 2022**

So, the lesson of my 24 year old saga is to stop being a Spiritualist and start living like a human being, be tactical to withstand oppression, truth accommodate is the best defence for it forces the evil animals to take a fresh new action against you and the warfare goes on and on for the world to see.

The court of public opinion is what matters, not the judicial decisions which are all proven to be State controlled here in the United Kingdom. I have paid a solicitor Firm !50 Consultation Fee and so have legal cover. Slater and Gordon will have to submit its defence in any proceedings against me. My books speak as my narration of the State-organised persecution on me over the past 24 years since I took the University of Greenwich to task for workplace harassment and racial discrimination in the allocation of research funds, now all the other employers such as Tesco, Sainsburys, ASDA and BP are seen to be part of the same persecution. The State of the United Kingdom waged a war against me over those 24 years using methods such as incarcerating me in mental hospitals twice, the first in 2004 and the second in 2008, and since then has tried to send me to a mental hospital or prison even, keeping me under a form of semi-detention at home with enforced antipsychotic (risperidone), anti-depressant (sertraline) and mood-stabilising medication Depakote. It confiscated our computer, my USB Memory Stick and mobile phone and withdrew a Duty Solicitor when it arrested me for stalking and harassing a person or more, and these materials have been held for nearly four months despite complaints. It embezzled my Santander Account over 3 years too.

So let the legal process begin and bring in District Judge Lightman to give the full written reasons for the outcome of the Appeal on E35YM660 as a struck-out Appellant's Notice.

Do I wish for justice in the material sphere anymore; that is an attachment to bodily functions which causes suffering. I do not wish to be active any more. I have experimented enough with being active immersing myself in Creation. It generates interactions that only causes loss of peace of mind. I also do not seek justice at all.

So who is a true dharmayudhi? One who seeks the truth and intensively perseveres with this quest to know it all.

The path to truth is also the truth path that is open, transparent and clear so that expressing the truth is a spiritual means to try and reach the ananda state mind. When will this ananda state of mind be attained? When one has ananda one will automatically know that one has reached the peak of spiritual gains for that state of mind will be permanent. This will be the union of the mind at its Supermind level with Om represented in Brahman by the Creator God. That is when the goal will be reached the purpose of existence fulfilled.

Giving names to the Supreme God is describing God. There is no reason to say that He/It is Krishna of the Mahabharatta/Bhagavad Gita at this time for me. It will all depend on what my experiences mean. I shall keep it under review and continually reflect on it.

To seek the truth is dharma, for from that one obtains vidya (knowledge) and gyan (wisdom), which generates the ananda state of mind that is at peace and humility results. Compare and contrast with:

विद्या ददाति विनयम्,

विनयाद् याति पात्रताम् ।

पात्रत्वात् धनमाप्नोति,

धनात् धर्मं ततः सुखम् ॥

विद्या से विनय की प्राप्ति होती है, विनय से हमें पात्रता की प्राप्ति होती है, पात्रता से हमें धन की प्राप्ति होती है, धन से धर्म की प्राप्ति होती है और धर्म से सुख की प्राप्ति होती है ।

Vidya Dadati Vinayam in English

Vidya Dadati Vinayam,

Vinaya Dadati Paatrataam.

Paatratva Dhanamaapnoti,

Dhanaat Dharmam Tatah Sukham.

Vidya Dadati Vinayam Meaning in English

Through learning we get humility, through humility we get eligibility, by eligibility we get wealth, wealth gets religion and religion gets happiness.

Dear Adi

I noticed that you do not have any available time slots before 20 March 10:00, and I make it a point in only acting on the spur of the moment, so if you would like to contact me within the next two hours I will be pleased to assist with the feedback that Wix requires.

I am on a shoestring budget so any discounts you have to offer consumers in my position would be most helpful. I intend to keep my websites for as long as possible and will make appropriate financial arrangement to keep them going even after I am no longer alive for I feel that the sites do make a contribution to the welfare of the global community and it is in my opinion a good thing if Wix could arrange for me to make a one-off payment for all the sites and domains so that I do not have to worry about what will happen to the sites after I die. I wish to develop the sites further in the coming months and years if I live that long. So if Wix can consider this option to let me have the sites on the internet with the automatic renewal of domains and Premium plans, I will make arrangements to make this one off payment to Wix. This is the only thing that is on my mind.

Based on your decision I will discontinue with the uploaded deposits of my 41 eBooks at internet archive so as to attract interest in the Wix websites instead. As you must be aware, I have two shops one at 'the allurement of reality in review and the other the Conservative Libertarian Society, which I wish to promote, but since I have the books currently free to download in internet archive and in The Theory of Everything and its Usage, I am not getting any customers from these two shops.

Please bear in mind that all the books have ISBN numbers legitimised by Lulu Publishing here: which is also not attracting customers: <https://www.lulu.com/spotlight/the-allurementofrealityofshantanupanigrahi>

Apart from that I have to congratulate Wix for its superb facilities and online help to deal with queries,

Yours sincerely

Dear Chiran, I hope this message that I am sending following our conversation yesterday will be considered by you and through BP company. I have great remorse for not following your instructions during my probation period. I am determined that it will never happen again if you could see that I should be given another chance at doing this job that I loved doing and which I was told by you is within my capability. <http://vishistaadvaitavedanta.com/sampradaya>

At 17.00 pm (UK-Time) 20 March 2022, Dr Shantanu Panigrahi declared that he is now 'Swami Shantanada' having found permanent bliss at the end of his satya-advaita (truth-accommodation) yoga; and he accordingly has established this Page in the Vishista-advaita Vedanta website to conduct all his future works as well as invite seekers to the Sampradaya as members/disciples or followers..

The Vishista-advaita Vedanta that forms the foundation of this Sampradaya is not related to any other religious or philosophical tradition within Hinduism or outside Hinduism.

### **22.09 pm (UK-Time) 20 March 2022**

Last night I created a Page in Facebook titled 'Vishista-advaita Sampradaya' and within it a Group 'Swami Shantananda'. Updated the Sampradaya Page on Bravenet 'Vishista-advaita Vedanta with the tenets of the Sampradayan compiled last night.

This morning I converted my knowledgeforworldconservation.com website to Swami Shantananda Travel Clinic. And adjusted the Google Search accordingly.

Took the car to the garage for fixing the cigarette lighter/satnav socket/car hoover socket. And then deleted all emails received and sent in the various accounts.

Nothing came from BP, or Tesco or Sainsburys concerning job opportunities, and there was no phone call or email from Slater and Gordon Solicitors.

### **11.38 am (UK-Time) 21 March 2022**

I cancelled my appointment of 24 March 2022 2.30 pm with Wix, as I have seen it all, there is nothing there for me only more interactions in Brahma-Nature that are totally unnecessary as they solve nothing. I am through with material existence.

Dear Shantanu

Thank you for your email to Daniel Cook which has passed to me.

Unfortunately, as previously explained, I was unable to assist in your claim as your matter is based on civil law which is outside my area of expertise. You can contact the law society's website, here Home | The Law Society which will help you to find an appropriate solicitor.

I'm sorry that it was not possible to advise you on this occasion and you will be refunded the £150 that you paid.

In view of the above, please do not copy us into any future correspondence with any party as this gives the impression that we are acting for you which is incorrect. I trust this is all clear and wish you the best.

Kind regards

Lauren Cullen

Dear Daniel Cook

Whilst I accept your decision that Slater and Gordon is reluctant to hold my £150 on Account, I am still under Police investigation for a crime of stalking and harassment that I deny as you will note from the attached document: NorthKentPoliceReleasewithoutBail.pdf.

I have therefore considered it necessary that this matter should be referred to the Centre for Effective Dispute Resolution as a complaint against a Solicitor who have failed in its statutory duties to provide a Client with Legal Advice and Legal Representation as to the course that I should pursue in this quest for justice given that the Judicial authorities of the Central London County Court and the Civil Appeals have washed their hands of my litigation against the Prime Minister of the United Kingdom and Kent Police under the Claims HQ17X01773 followed by E35YM660.

If there is anything you wish to add to what you have so far considered on the numerous documentary evidence of a failure in the Judicial and Law Enforcement processes of the United Kingdom over the past 24 years, please let me have Slater and Gordon's final decision on the matter.

Yours sincerely

Dear WIX teams,

My appointment with WIX Design Teams originally set for Sunday, March 20, 2022 10:30am (GMT) and then rescheduled for Thursday, March 24, 2022 2:30pm (GMT) was intended to give me a better and more effective legacy platform for conducting my cyber-warfares against the madarchs of BP, ASDA, Sainsbury's, Tesco, Kent Police and other criminal enforcers of a country of morons in a police state, prior to completion of the merger and takeover of The Conservative and Unionist Party of the United Kingdom by The Conservative Libertarian Party (DMK) of the United Kingdom.

However after consultations, with my lawyer Mr Daniel Crook of Slater and Gordonstoun Solicitors and the representatives of my escort concubine Katrina Sale of the Conservatives, and also others, I spontaneously decided to cancel this appointment too.

The reason for cancellation is that in my new capacity as a Swami I cannot have avoidable business or personal dealings with moronic Muslims or dirty Jews. In 2018 my name was added to the Anti-Defamation League's list of prominent anti-semites and this was done without my knowledge let alone permission or consent. Mr Landau is, on my enquiries, revealed to be a Jew, and this consultation is thus unacceptable to a Swami.

Kindly arrange my WIX Teams consultation with someone who does not suffer from these unacceptable defects. I look forward to your offer in this regard. Take note that my contact telephone number has changed to the one that I put below my address.

Yours sincerely

Dear WIX teams, My appointment with WIX Design Teams originally set for Sunday, March 20, 2022 10:30am (GMT) and then rescheduled for Thursday, March 24, 2022 2

Dear Sirs

This email is not from me Dr Shantanu Panigrahi and is engineered by the State of the United Kingdom to try and destroy my relationship with Wix..com. I am not an anti-semitic nor a Islamophobic. I am Swami Shantananda, the title that I adopted on 20 March 2022 having established my religious Order of Vishista-advaita Sampradaya'

You will note that this email comes from a dizum.com site, which cannot be traced by me. In any case the Police were informed that this is part of the 1500 criminal anonymous emails that I have been terrorised with since Dr Sivaji Panesar of the Indian government's external affairs started his campaign of vilification on me to try and force me out of the United Kingdom and making me stateless. It was joined by Dr Nitin Bhardwaj, Fritz Wuehler, Ed Mulhouse, Cherie and Marty Caine, none of whom can be traced because these were all British Government's spoofed account names as I deposited to Kent Police (DEFENCE STATEMENT ON HARASSMENT OFFENCE(2).docs and Kent Police took no action. All 25 criminal anonymous emails to Katrina Sale for the Conservative and Unionist Party that I was harassed by Police on were similarly engineered by the State of the United Kingdom to further terrorise me in this country. This has to stop. I have accordingly consulted Bark as attached: FrBark(Finding Law Firms for Kent Police)21Mar2022.docx

I am copying this email to the Circuit Judge assessing Claim Appeal on E35YM660 at the Central London County Court for immediate consideration and a Judgment and Order. I am demanding £5 million from the UK Treasury as damages and compensation for the 24 year old attacks to terrorise and victimise me for bringing the University of Greenwich to justice in not paying me my £55,000 severance payment when my employment terminated on 20 October 1998.

Yours sincerely

**DEFENCE STATEMENT ON HARASSMENT OFFENCE**

1. I have never ever sent an email from a Remailer, Austria anonymous email account, or a Nomen Nescio Account, or some other dizum account, or another anonymous email account to anyone whether an official at a government institution, or a private individual.
2. I have received hundreds of emails into my Gmail Phone Account from people like 38 Degrees, Internet Archive, and others which did not appear in my Desktop Gmail Account.
3. I have not sent any emails that has harassed anyone from my Shanpanigrahi3000@gmail.com account: hundreds appear to have been sent to people involved with the organisation Victims of Panigrahi Association but clearly my Shanpanigrahi3000@gmail.com account was hijacked to get me into legal difficulties with the Central London County Court in respect of Claim E35YM660.
4. My shanpanigrahi@yahoo.co.uk was bastardised by trolls and criminals so I could not send out any emails from this Account and had to abandon it a year ago. Any emails sent from this account was done by Victims of Panigrahi Association associated trolls and criminals.
5. All my purposeful emails and I have sent out thousands over the past 20 years were legitimate court-associated legal proceedings in relation to ME010463, ME002953, HQ17X01773, and E35YM660.
6. Whenever a particular recipient of an email from me asked me not to send them any emails, I complied with the request unless court proceedings became prejudiced from my inaction.
7. Since I started my E35YM660 Claim against the Prime Minister and Victims of Panigrahi Association for its criminal anonymous emails to me notably from Sivaji Panesar, Marty Caine, Nitin Bhardwaj, Fritz Wueler, Cherie, Egregious\_C, and others like Ed Mulhouse and Monneka Tahir, there was a systematic attempt to have me booted out of this country to places like Pakistan, because I was bringing Kent Police in a £5 million pound damages and compensation Claim in the High Court Queens Bench Division and brought the Crown Prosecution Service to East Kent Magistrates Court on a criminal charge of perverting the course of justice and obstructing justice. That is why I considered that the UK State through its Security Services had wanted to frame charges against me of forensic or criminal nature to have me incarcerated in a mental hospital for a third time or worse to get me committed to a Trial that the County Court in Central London arranged in a Pre-Trial Hearing but I was exonerated. I told my Consultant Psychiatrist that come what may I will never leave the United Kingdom, and this is the reason that Kent Police is charging me with a concocted summons for Harassment that is not specified to leave the State room for elaboration later. This is done to protect the Central London County Court from having to pass judgment or Order to my Appeal Application which the Court would have to justify that the University of Greenwich was lawful in withholding my £55,000 severance payment.

A telephone call came from a Solicitor by the name of John (something) referred to Bark yesterday evening. We talked over two telephone calls that he made one after the other asking me what it is that is the problem. I said it was harassment and victimisation by Kent Police who arrested me four months ago and kept me in custody for 5 hours and then released me without bail but have since kept me under investigation. I contacted them, etc

As I was typing this the Mobile Phone rang and it was a different Firm (North Ford Solicitors) wishing to discuss the action. He started by asking if I was looking for compensation or something else. I said compensation. I then went through the details of the 10 years of harassment and obstruction of justice and victimisation by the Police detailing the arrest lately giving the full circumstances of 15 September 2021 and 24 November 2021 and the Claim I lodged at the Queens Bench Division HQ17Xoi773 against Kent Police which got struck out by the Master as incomprehensible, and that Kent Police had not specified a defence against the 12 counts alleged against it for protecting criminals; that I had received 1500 criminal anonymous emails since and supposedly I had stalked and harassed the Conservative Party. He said because it was struck out you cannot go back to the same issues again all you can do is to prepare a fresh case for action. The court action could cost £30000 which I said I could not meet. However he said that North Ford could prepare a Pre-action protocol for Kent Police to respond to and that would start the ball rolling on a fresh claim for a claim that you can take to court. This would cost £2000. I asked if it could be reduced to £1500 he said no due to the complexity of the case. It could also take up to a year to get resolved. I said you have been very clear and wonderful. Thank you. Can I pay by instalments? I said I just want the truth to come out. He did not reply. He said that he was going to send me an email in half an hour that I should study and take it from there with a response, the £2000 must be paid with my reply if I if I wanted to go-ahead. I said Ok I look forward to communicating with you. I deliberately did not mention E35YM660.

Half an hour later the email had come but it was in the Spam folder so I did not see it. He telephoned to say that he had sent it. I checked and there it was. I then read it but there was no mention of pre-action protocol in it. I then told him that just because the Police is supervised by the Home Secretary and the government, I issued a Claim E35YM660 against the Prime Minister of the country and this was struck out but it was not struck out in an Order it was only on 21 June 2021 that District Judge Lightman decided that it was struck out so I appealed against it and it was conflated with other issues such as HQ17X01773. The Queen's Bench Judges Listing Office said to me that the Appellants Notice should be sent to them, but later said that it did not have jurisdiction, and I should send it to the original Court the Central London County Court, which is still considering the Appeal. He said the way to proceed against the government is different to the way one would proceed against Kent Police. Read the email, take your time reading it and let us know. Call ended.

Dear Shantanu,

It was a pleasure to speak with you today. I write to confirm my advice on your matter.

You instructed that you have been subjected to a campaign of harassment and unlawful intimidation / discrimination from the Police. You instructed that for a number of years, the Police have been harassing you and breaching your human rights. You instructed that in 2015 you issued a claim yourself at Court against the Police which was struck out because you did not prepare / present the claim correctly. However, since that date, you have been subjected to a further unlawful acts from the Police which include, but are not limited to, harassment, malicious prosecution and arrest, discrimination, and breach of your human rights. You instructed that the conduct and behaviour of the police has had a catastrophic impact upon your life. You instructed that you now wish to take action against the Police, because of their unlawful conduct towards you. I advised you as follows:

I advised you that a claim may be pursued against the police (the Defendant). The cause of action may include, but is not limited to, Harassment, misconduct in public office, discrimination and breach of your human rights. This is subject to receipt of further instructions from you. However, I advised that upon pursuing a successful claim, the remedies you could obtain would include compensation / damages, payment of your legal costs and an Injunction prevent further unlawful acts being committed against you by the Defendant. I advised you that you would need to provide full details of what loss you incurred and suffered.

I advised you that I believe that you should conduct resolution of this matter via the pre action protocol procedure firstly, instead of proceeding to Court. This will include drafting a detailed pre action protocol letter of claim / letter before action to the Defendant. The representation will set out in detail the basis of your claim and the remedy sought. I shall then seek to settle this matter with the Defendant(s), if possible, within the pre action procedure. It will take time to prepare a pre action letter. On average, the usual time frame is between 3 to 6 weeks depending on circumstances. However, we always try to attend to matters as promptly as possible.

I advised you that the objective would be to try and settle your matter without the need to commence Court proceedings. The Defendant would be informed that if this matter was not resolved in accordance with terms of settlement, then you reserve the right to issue a complaint to the Independent Police Complaints Commission, and commence a claim at Court against the Defendant.

I advised you that our Firm's fees are charged upon an hourly rate based upon which fee earner from our team has conducted work on your matter, and what Grade the fee earner is. Our Firm's fees are calculated by reference to the time spent by our fee earners in respect of any work which they do on your behalf. This will include preparation, attendance at and follow up from meetings,

reading and working on documents, correspondence, including emails and time spent travelling from the office when this is necessary. The hourly rates for Firm's fee earners are as follows:

Grade A - Solicitors and legal executives with over 8 years experience - £217.00 + VAT

Grade B - Solicitors and legal executives with over 4 years experience - £192.00 + VAT

Grade C - Other solicitors or legal executives and fee earners of equivalent experience - £161.00 + VAT

Grade D - Trainee solicitors, paralegals and other fee earners - £118.00 + VAT

Routine telephone calls, letters and emails are charged at one tenth of the hourly rate. Whilst it is not possible to give an exact figure in terms of what the fees for a matter may be, I can provide you with the range of fees that are usually charged in matters depending upon the complexity of the case. The range of fees are as follows:

Simple complexity case - £1,000.00 to £5,000.00 + VAT + disbursements

Medium complexity case - £5,000.00 + VAT to £20,000.00 + VAT + disbursements

High complexity case - £20,000.00 to £30,000.00 + VAT + disbursements

Very high complexity case - Over £30,000.00 + VAT + disbursement

At present, I estimate that your case is within the simple complexity case range. Disbursements are costs related to your matter that are payable to third parties, such as court fees and Counsel (Barrister) fees. In order to proceed on your matter, we shall need the following from you:

Full name and contact details for yourself, including address, email, and telephone numbers

All evidence that you have in this case, including documents etc

A written statement of the history, facts of the case and your instructions

Funds of £2,000.00 will need to be paid by bank transfer. I attach our bank account details for your attention.

Hello Salman

Thank you for the following confirmation that North Kent Police will take this matter forward in the most appropriate manner that the Firm considers it necessary. I am therefore recapping the details of our two telephone conversations before I can make a decision. I will pay the North Ford Solicitors the £2000 if we arrive at a satisfactory process that is coherent and to the point. So please bear with me while I think aloud, so to speak, as follows:

A telephone call came from a Solicitor by the name of John (something) referred to Bark yesterday evening. We talked over two telephone calls that he made one after the other asking me what it is that is the problem. I said it was harassment and victimisation by Kent Police who arrested me four months ago and kept me in custody for 5 hours and then released me without bail but have since kept me under investigation. I said you have been very clear and wonderful. Thank you. Can I pay by instalments? I said I just want the truth to come out. He did not reply. He said that he was going to send me an email in half and hour that I should study and take it from there with a response, the £2000 must be paid with my reply if I if I wanted to go-ahead. I said Ok I look forward to communicating with you. I deliberately did not mention E35YM660.

Half an hour later the email had come but it was in the Spam folder, so I did not see it. He telephoned to say that he had sent it. I checked and there it was. I then read it but there was no mention of pre-action protocol in it. I then told him that just because the Police is supervised by the Home Secretary and the government, I issued a Claim E35YM660 against the Prime Minister of the country and this was struck out but it was not struck out in an Order it was only on 21 June 2021 that District Judge Lightman decided that it was struck out so I appealed against it and it was conflated with other issues such as HQ17X01773. He said the way to proceed against the government is different to the way one would proceed against Kent Police. Read the email, take your time reading it and let us know. Call ended.

From my understanding North Ford Solicitors can assist me with either the proceedings against Kent Police in the High Court (Claim Number HQ17X01773) or the proceedings against the Prime Minister Mr Boris Johnson now under Claim Number E35YM660 that I have duly appealed the Court of Central London neither of which has been resolved to my satisfaction. I had therefore rejected the grounds for the striking out of both these Claims and had them coalesced as a single case against the government at the Prime Ministerial level. The last Court Order is attached Central LondonCountyCourtOrder21June2021 (District Judge Ligjhtman).pdf; n161 Appellants Notice.

Thanks a lot.

Dear Shantanu,

It was a pleasure to speak with you today. I write to confirm my advice on your matter.

You instructed that you have been subjected to a campaign of harassment and unlawful intimidation / discrimination from the Police. You instructed that for a number of years, the Police have been harassing you and breaching your human rights. You instructed that in 2015 you issued a claim yourself at Court against the Police which was struck out because you did not prepare / present the claim correctly. However, since that date, you have been subjected to a further unlawful acts from the Police which include, but are not limited to, harassment, malicious prosecution and arrest, discrimination, and breach of your human rights. You instructed that the conduct and behaviour of the police has had a catastrophic impact upon your life. You instructed that you now wish to take action against the Police, because of their unlawful conduct towards you. I advised you as follows:

I advised you that a claim may be pursued against the police (the Defendant). The cause of action may include, but is not limited to, Harassment, misconduct in public office, discrimination and breach of your human rights. This is subject to receipt of further instructions from you. However, I advised that upon pursuing a successful claim, the remedies you could obtain would include compensation / damages, payment of your legal costs and an Injunction prevent further unlawful acts being committed against you by the Defendant. I advised you that you would need to provide full details of what loss you incurred and suffered.

I advised you that I believe that you should conduct resolution of this matter via the pre action protocol procedure firstly, instead of proceeding to Court. This will include drafting a detailed pre action protocol letter of claim / letter before action to the Defendant. The representation will set out in detail the basis of your claim and the remedy sought. I shall then seek to settle this matter with the Defendant(s), if possible, within the pre action procedure. It will take time to prepare a pre action letter. On average, the usual time frame is between 3 to 6 weeks depending on circumstances. However, we always try to attend to matters as promptly as possible.

I advised you that the objective would be to try and settle your matter without the need to commence Court proceedings. The Defendant would be informed that if this matter was not resolved in accordance with terms of settlement, then you reserve the right to issue a complaint to the Independent Police Complaints Commission, and commence a claim at Court against the Defendant.

I advised you that our Firm's fees are charged upon an hourly rate based upon which fee earner from our team has conducted work on your matter, and what Grade the fee earner is. Our Firm's fees are calculated by reference to the time spent by our fee earners in respect of any work which they do on your behalf. This will include preparation, attendance at and follow up from meetings, reading and working on documents, correspondence, including emails and time spent travelling from the office when this is necessary. The hourly rates for Firm's fee earners are as follows:

Grade A - Solicitors and legal executives with over 8 years experience - £217.00 + VAT

Grade B - Solicitors and legal executives with over 4 years experience - £192.00 + VAT

Grade C - Other solicitors or legal executives and fee earners of equivalent experience - £161.00 + VAT

Grade D - Trainee solicitors, paralegals and other fee earners - £118.00 + VAT

Routine telephone calls, letters and emails are charged at one tenth of the hourly rate. Whilst it is not possible to give an exact figure in terms of what the fees for a matter may be, I can provide you with the range of fees that are usually charged in matters depending upon the complexity of the case. The range of fees are as follows:

Simple complexity case - £1,000.00 to £5,000.00 + VAT + disbursements

Medium complexity case - £5,000.00 + VAT to £20,000.00 + VAT + disbursements

High complexity case - £20,000.00 to £30,000.00 + VAT + disbursements

Very high complexity case - Over £30,000.00 + VAT + disbursement

At present, I estimate that your case is within the simple complexity case range. Disbursements are costs related to your matter that are payable to third parties, such as court fees and Counsel (Barrister) fees. In order to proceed on your matter, we shall need the following from you:

Full name and contact details for yourself, including address, email, and telephone numbers

All evidence that you have in this case, including documents etc

A written statement of the history, facts of the case and your instructions

Funds of £2,000.00 will need to be paid by bank transfer. I attach our bank account details for your attention.

Dear Shantanu,

Thank you for your email. My advice was based upon the instructions that you provided that you wished to pursue an action against the Police. If you wish to pursue a claim against any other party, you need to provide clear instructions as to whom the claim is to be made and why. I can then consider the same and advise in terms whether there is an arguable claim or not, and what the costs for the same will be.

Please reply back to me with clear instructions as to what claim and against whom, you wish to make.

Kind regards,  
Mr Salmaan Islam

Dear Salman Islam

I apologise for not reading the sentence more carefully on bullet 2: where you state that you advise that you believe that this matter should proceed by way of pre-action protocol.

Having reconsidered this issue further, if Kent Police did not submit any kind of defence to the Court of to me on Claim HQ17X01773 in 2015-2016, and this was preceded with multiple preaction preparatory communications between Kent Police and myself, what makes you believe that they will reply to your communications on my behalf. They will just wait to cover up their tracks knowing fully well that according to the Constitution of the United Kingdom the Police as well as the Prime Minister) is above the law. The Police, and the Prime Minister are both above the law, as you will note with the dragging out of the party-gate affair in relation to 10 Downing Street's Covid-19 rules and regulations: No one can do anything to the Metropolitan Police for not taking immediate action against the Prime Minister and Sue Grey's report is hidden from the public to keep the Prime Minister in his occupancy of the office that he holds. The Courts will take no action and under the false pretences that my Claim against Kent Police was incomprehensible in nature and similarly not furnishing full written reasons for striking out the Claim against the Prime Minister on E35YM660, a facade of civility is maintained in the State that the due process of the law is being observed by the institutions of the State.

It is the Police that is responsible to bring court officials to trial for the criminal offence of obstructing justice and perverting the course of justice and Kent Police were clearly informed that Master Eastman of the Queens Bench and David Jenkins of the High Court Appeal Court along with District Judge Lightman should be investigated and prosecuted in a criminal court for misconduct in public office not through negligence but deliberately to scupper the justice that citizens have a right to expect from the State.

I reiterate that North Ford Solicitors must produce a viable plan of action that will be fruitful within the Constitution of the United Kingdom to put these three individuals in trials. No other procedure is viable, I have gone through the lot over the past 24 years.

Yours sincerely

Thank you for your email. My understanding from the extract you have written in your email below is that the extract are your personal notes. Please note, there are some inaccuracies in your notes regarding the conversation you had with me, which are as follows:

I did make reference to the pre action protocol procedure in my email to you. This appears are bullet point 2 of the email, that is specifically advising you to proceed on the pre action procedure. The advice that I have given you is specifically in respect of the claim against the Police. I have not advised that our Firm can assist you on the current matter regarding your claim against the Government / Prime Minister. I advised you that the claim against the Police and the Government / Prime Minister are 2 separate matters. If you wish to consider instructing our Firm on the Government / Prime Minister matter, you would need to provide separate instructions on that matter, for which a separate case file would need to be opened.

The current proposed instructions that you have provided our Firm are exclusively in respect of the matter against the Police. If you wish to proceed on that matter, please can you provide the following to me:

 Subject: Re: North Ford Solicitors - Bark.com

Hello Salman

Thank you for the following confirmation that North Kent Police will take this matter forward in the most appropriate manner that the Firm considers it necessary. I am therefore recapping the details of our two telephone conversations before I can make a decision. I will pay the North Ford Solicitors the £2000 if we arrive at a satisfactory process that is coherent and to the point.. So please bear with me while I think aloud, so to speak, as follows:

A telephone call came from a Solicitor by the name of John (something) referred to Bark yesterday evening. We talked over two telephone calls that he made one after the other asking me what it is that is the problem. I said it was harassment and victimisation by Kent Police who arrested me four months ago and kept me in custody for 5 hours and then released me without bail but have since kept me under investigation. I contacted them, etc

As I was typing this the Mobile Phone rang and it was a different Firm (North Ford Solicitors) wishing to discuss the action. He started by asking if I was looking for compensation or something else. I said compensation. I then went through the details of the 10 years of harassment and obstruction of justice and victimisation by the Police detailing the arrest lately giving the full circumstances of 15 September 2021 and 24 November 2021 and the Claim I lodged at the Queens Bench Division HQ17Xoi773 against Kent Police which got struck out by the Master as incomprehensible, and that Kent Police had not specified a defence against the 12 counts alleged against it for protecting criminals; that I had received 1500 criminal anonymous emails since and supposedly I had stalked and harassed the Conservative Party. He said because it was struck out you cannot go back to the same issues again all you can do is to prepare a fresh case for action. The court action could cost £30000 which I said I could not meet. However he said that North Ford could prepare a Pre-action protocol for Kent Police to respond to and that would start the ball rolling on a fresh claim for a claim that you can take to court. This would cost £2000. I asked if it could be reduced to £1500 he said no due to the complexity of the case. It could also take up to a year to get resolved. I said you have been very clear and wonderful. Thank you. Can I pay by instalments? I said I just want the truth to come out. He did not reply. He said that he was going to send me an email in half an hour that I should study and take it from there with a response, the £2000 must be paid with my reply if I if I wanted to go-ahead. I said Ok I look forward to communicating with you. I deliberately did not mention E35YM660.

Half an hour later the email had come but it was in the Spam folder so I did not see it. He telephoned to say that he had sent it. I checked and there it was. I then read it but there was no mention of pre-action protocol in it. I then told him that just because the Police is supervised by the Home Secretary and the government, I issued a Claim E35YM660 against the Prime Minister of the country and this was struck out but it was not struck out in an Order it was only on 21 June 2021 that District Judge Lightman decided that it was struck out so I appealed against it and it was conflated with other issues such as HQ17X01773. The Queen's Bench Judges Listing Office said to me that the Appellants Notice should be sent to them, but later said that it did not have jurisdiction, and I should send it to the original Court the Central London County Court, which is still considering the Appeal. He said the

way to proceed against the government is different to the way one would proceed against Kent Police. Read the email, take your time reading it and let us know. Call ended.

From my understanding North Ford Solicitors can assist me with either the proceedings against Kent Police in the High Court (Claim Number HQ17X01773) or the proceedings against the Prime Minister Mr Boris Johnson now under Claim Number E35YM660 that I have duly appealed the Court of Central London neither of which has been resolved to my satisfaction. I had therefore rejected the grounds for the striking out of both these Claims and had them coalesced as a single case against the government at the Prime Ministerial level. The last Court Order is attached Central LondonCountyCourtOrder21June2021 (District Judge Ligjhtman).pdf; n161 Appellants Notice.

Thanks a lot.

Dear Shantanu,

It was a pleasure to speak with you today. I write to confirm my advice on your matter. You instructed that you have been subjected to a campaign of harassment and unlawful intimidation / discrimination from the Police. You instructed that for a number of years, the Police have been harassing you and breaching your human rights. You instructed that in 2015 you issued a claim yourself at Court against the Police which was struck out because you did not prepare / present the claim correctly. However, since that date, you have been subjected to a further unlawful acts from the Police which include, but are not limited to, harassment, malicious prosecution and arrest, discrimination, and breach of your human rights. You instructed that the conduct and behaviour of the police has had a catastrophic impact upon your life. You instructed that you now wish to take action against the Police, because of their unlawful conduct towards you. I advised you as follows:

I advised you that a claim may be pursued against the police (the Defendant). The cause of action may include, but is not limited to, Harassment, misconduct in public office, discrimination and breach of your human rights. This is subject to receipt of further instructions from you. However, I advised that upon pursuing a successful claim, the remedies you could obtain would include compensation / damages, payment of your legal costs and an Injunction prevent further unlawful acts being committed against you by the Defendant. I advised you that you would need to provide full details of what loss you incurred and suffered.

I advised you that I believe that you should conduct resolution of this matter via the pre action protocol procedure firstly, instead of proceeding to Court. This will include drafting a detailed pre action protocol letter of claim / letter before action to the Defendant. The representation will set out in detail the basis of your claim and the remedy sought. I shall then seek to settle this matter

with the Defendant(s), if possible, within the pre action procedure. It will take time to prepare a pre action letter. On average, the usual time frame is between 3 to 6 weeks depending on circumstances. However, we always try to attend to matters as promptly as possible.

I advised you that the objective would be to try and settle your matter without the need to commence Court proceedings. The Defendant would be informed that if this matter was not resolved in accordance with terms of settlement, then you reserve the right to issue a complaint to the Independent Police Complaints Commission, and commence a claim at Court against the Defendant.

I advised you that our Firm's fees are charged upon an hourly rate based upon which fee earner from our team has conducted work on your matter, and what Grade the fee earner is. Our Firm's fees are calculated by reference to the time spent by our fee earners in respect of any work which they do on your behalf. This will include preparation, attendance at and follow up from meetings, reading and working on documents, correspondence, including emails and time spent travelling from the office when this is necessary. The hourly rates for Firm's fee earners are as follows:

Grade A - Solicitors and legal executives with over 8 years experience - £217.00 + VAT

Grade B - Solicitors and legal executives with over 4 years experience - £192.00 + VAT

Grade C - Other solicitors or legal executives and fee earners of equivalent experience - £161.00 + VAT

Grade D - Trainee solicitors, paralegals and other fee earners - £118.00 + VAT

Routine telephone calls, letters and emails are charged at one tenth of the hourly rate. Whilst it is not possible to give an exact figure in terms of what the fees for a matter may be, I can provide you with the range of fees that are usually charged in matters depending upon the complexity of the case. The range of fees are as follows:

Simple complexity case - £1,000.00 to £5,000.00 + VAT + disbursements

Medium complexity case - £5,000.00 + VAT to £20,000.00 + VAT + disbursements

High complexity case - £20,000.00 to £30,000.00 + VAT + disbursements

Very high complexity case - Over £30,000.00 + VAT + disbursement

At present, I estimate that your case is within the simple complexity case range. Disbursements are costs related to your matter that are payable to third parties, such as court fees and Counsel (Barrister) fees. In order to proceed on your matter, we shall need the following from you:

Full name and contact details for yourself, including address, email, and telephone numbers

All evidence that you have in this case, including documents etc

A written statement of the history, facts of the case and your instructions

Dear Adi

I noticed that you do not have any available time slots before 20 March 10,00, and I make it a point in only acting on the spur of the moment, so if you would like to contact me within the next two hours I will be pleased to assist with the feedback that Wix requires.

I am on a shoestring budget so any discounts you have to offer consumers in my position would be most helpful. I intend to keep my websites for as long as possible and will make appropriate financial arrangement to keep them going even after I am no longer alive for I feel that the sites do make a contribution to the welfare of the global community and it is in my opinion a good thing if Wix could arrange for me to make a one-off payment for all the sites and domains so that I do not have to worry about what will happen to the sites after I die. I wish to develop the sites further in the coming months and years if I live that long. So if Wix can consider this option to let me have the sites on the internet with the automatic renewal of domains and Premium plans, I will make arrangements to make this one off payment to Wix. This is the only thing that is on my mind.

Based on your decision I will discontinue with the uploaded deposits of my 41 eBooks at internet archive so as to attract interest in the Wix websites instead. As you must be aware, I have two shops one at 'the allurement of reality in review' and the other the Conservative Libertarian Society, which I wish to promote, but since I have the books currently free to download in internet archive and in The Theory of Everything and its Usage, I am not getting any customers from these two shops.

Please bear in mind that all the books have ISBN numbers legitimised by Lulu Publishing here: which is

also not attracting customers: <https://www.lulu.com/spotlight/the-allurementofrealityofshantanupanigrahi>

Apart from that I have to congratulate Wix for its superb facilities and online help to deal with queries,

Re, My Conservative Party Membership Number 529641094 (renewed)

Due to the theft of my family desktop PC, UBS card and old broken phone by the boy-friend of Ms Katrina Sale, one Paul Nicholls, it is now increasingly difficult for me to send out discreet communications.

Although I never used those devices for my private purposes, I had to adapt my procedures to deal with buccaneering invasions without warning committed by jaanbhosadiwale suars like Nicholls. Today I instructed Slater and Gordon Solicitors to commence proceedings against the Conservative and Unionist Party for breach of promise.

Your representative Katrina Sale did conspire with person or persons unknown to send me harassing and intimidatory emails, under the name of Kubla Khan using fraudulent email address possiblynotarealdoctor90@yahoo.com, all for and on behalf of the Conservative and Unionist Party of the United Kingdom as part of her contractual duties. Whether or not this is connected to the embezzlements from my Santander Bank Accounts I cannot say but until this is resolved the proposed merger between our Parties must be placed on indefinite without-prejudice hold.

I will be seeking exemplary damages of twenty million pounds sterling as a Satya-Dharmayudhi. I now declared myself Swami Shantananda I. It is in this sacred august capacity that I renew and reiterate and reinforce my demands that, her having made the overtures to me so to inflame me, this Katrina Sale now, without further delay or procrastinations, nonchalantly and peacefully submits to my unpremeditated Will. I prescribed for her a few intimate, enterprising preparatory exercises to improve her readiness, but due to the complete lack of satisfactory communication from her side I am at a loss as to whether or not she has performed them, especially yogic and conjugal dilations. It is in her own interests that she spontaneously complies.

Is that understood, or will legal proceedings have to progress, also escalation to Sam Dumitriu and Philip Salter? You have ten days in which to make your counter proposal or signify acceptance. I warn you that my High Court and City of London Central Court legal cases ME010463 in which HQ17X01773 was enjoined, with E35YM660, will cause an acute and lasting embarrassment to Mr Boris Johnson and may bring down your whole government.

Dear Salmaan

I had a text from John (another Solicitor Firm through Bark) as follows: 'This is John, as we discussed I requested my partner specialised litigation and waiting for the response. As soon as he confirms to accept the engagement I will send confirmation email'.

I replied to this text as follows: 'I would like a solicitor to negotiate with Kent Police for a quick settlement. I telephoned Kent Police at 3.25 pm today asking for the return of our property that they have seized and kept for 4 months now at considerable inconvenience to us but have not had a return of call Thanks. Shantanu'.

John's reply came at 17.16 hours with the words 'I understand'

There were no other communications from John or from Kent Police through the rest of the evening and I do not have John's email address so far. So I do not know which Solicitor Firm is dealing with the attached email that I have just received seemingly anonymously pretending that I have sent it from a dizum.com account which I deny: FrShantanuPanigrahi(CAEDizum)22Mar2022.docx. It is a decoy to find a scape goat when the evidence is quite clear that a secretive State Establishment has organised the 24 years of religious persecution on me.

I checked my Santander Bank Account to find out whether Slater and Gordon has refunded my £150 paid on Account for legal advice but it has not so far appeared in the Statement of Account.

Kindly let me know North Ford Solicitors review of this matter so that progress can be made towards identifying the correct course of action from you.

Thank you for your email. I called you this morning but was unable to speak with you.

Firstly, I do not know of the Solicitor named John who contacted you. Any communications you have with another Solicitors Firm is completely separate from our Firm, and therefore, I cannot comment upon this.

John's reply came at 17.16 hours with the words 'I understand'

There were no other communications from John or from Kent Police through the rest of the evening and I do not have John's email address so far. So I do not know which Solicitor Firm is dealing with the attached email that I have just received seemingly anonymously pretending that I have sent it from a dizum.com account which I deny: FrShantanuPanigrahi(CAEDizum)22Mar2022.docx. It is a decoy to find a scape goat when the evidence is quite clear that a secretive State Establishment has organised the 24 years of religious persecution on me.

I checked my Santander Bank Account to find out whether Slater and Gordon has refunded my £150 paid on Account for legal advice but it has not so far appeared in the Statement of Account.

Kindly let me know North Ford Solicitors review of this matter so that progress can be made towards identifying the correct course of action from you.

Dear Salmaan

I was waiting to see if I would hear from Slater and Gordon or this fellow by the name of John (very disreputable as it turned out) before responding to your email.

I did not wish to keep you guessing or on tenterhooks as to my situation and being a religious person I owe it to my Sampradaya to clearly state what I am considering so that you can take it aboard and advise me as to the correct course of action.

My Vishista-advaita Sampradaya does not believe in attacking or defending but merely truth-accommodating for which we constantly seek the truth of the Reality that confronts us. We accept the status quo and we do not second guess what others may have in mind in terms of their own preoccupations.

Whilst I am dissatisfied that the State through its various institutions have been unjust to me classifying me as paranoid schizophrenic with persistent delusional disorders (See CAREPLaNDRodesanya13September2021.pdf;MedCertDrMwanche29Nov2021b.pdf and S\_PanigrahiDiagnosisTreatmentbyDrLatif16Feb2022.pdf), the defamation and terrorism mounted on me over these 24 years for living a religious life is but to be expected and I have paid a high financial price for it, such as the £55,000 that the University of Greenwich still owes me from 1998 when I was dismissed from service, and the £4170 that District Judge Lightman Ordered me to pay the Cabinet Office for suggesting that the State was wrong in what it did to me for which I felt persecuted.

There are in other words no avenues open to me to convince any judge in the United Kingdom that I have a Case still for I do not live to material gains so justice in the samsara is pointless to me. I live to spiritual gains alone.

Subject: FURTHER HARASSEMENT BY THE STATE OF THE UNITED KINGDOM

Dear Salman

I had a text from John (another Solicitor Firm through Bark) as follows: 'This is John, as we discussed I requested my partner specialised litigation and waiting for the response. As soon as he confirms to accept the engagement I will send confirmation email'.

I replied to this text as follows: 'I would like a solicitor to negotiate with Kent Police for a quick settlement. I telephoned Kent Police at 3.25 pm today asking for the return of our property that they have seized and kept for 4 months now at considerable inconvenience to us but have not had a return of call Thanks. Dear Mr Panigrahi

Medway CMHT

Outpatient Clinic, Britton House – Medical review Date: 08.09.2021

Your working clinical diagnoses

Paranoid schizophrenia F20.0

Your current medications:

1. Risperidone 2 mg two times daily
- 2 Sertraline 150 mg once daily
3. Depakote 500 mg two times daily
4. Finasteride 5 mg once daily
5. Tamsulosin MR 400 mg once daily
6. Atorvastatin 20 mg once daily

Your treatment plan:

1. From this review there is no change in your presentation that warrants care in secondary mental health service. You reported feeling stable in your mental health, you do not feel suicidal or plan to harm yourself or others. Therefore, your care is discharged to your GP
2. I did not make any change to your medications and recommend you continue to take them as prescribed.
3. Please speak to your GP if you have concern about your mental health in future.
4. You are now discharged from Medway CMHT.

You, Mr Shantanu Panigrahi attended Britton House on the 8th of September 2021 for review of your mental health. You were seen in the presence of my colleague Cathy Hay, Operational Team Manager. You said your wife was unable to attend due to having a lot of work to do, that she was working from home.

**Review update**

Your care was discharged to your BP following review on 19.05.2021 when you reported feeling steady in your mental health. We received referral from your GP Dr Latif on the 23rd of June 2021 – you attended your GP practice with your wife with concern that your mental health was not improved, in fact, deteriorated. You were not finding medications are working as you were still getting paranoid thoughts. Your wife was finding it difficult to cope with your delusional thoughts and felt very unsafe at home. You and your wife believe you should not be discharged this soon from Community Mental Health Services.

In your triage assessment and review on the 8th of July 2021, you talked about a court case against you for something to do with Boris Johnson and Theresa May. You had suicidal thoughts and talked to the Samaritans. You said that the court case was finished, and you had to pay 4000 pounds in fine. You claimed you were not angry about the fine and said that you were okay it ended like that – you were happy you did not go to prison etc. You stated that your wife has a good job as civil servant and she wanted to ask for compensation, but you said that you do not want compensation. You were calm, cooperative and cheerful. Your delusions were reported not to be active and seemed “consolidated”.

Today, you reported feeling well in your mental health since you started to ignore the emails sent to you from people harassing you. You reported sleeping well and able to look after yourself. You said you take your medications “like clock work” and happy to continue to take them. You said you have now decided to stop looking for work as you are not able to do any work at the moment. I suggested you consider yourself as retired and try to enjoy your retirement. We talked about the reason you were referred back by your GP after your discharge in May 2021. You explained that you got a letter

from the court requesting a pre-court assessment which you appealed. You said this made you angry because you believe the court and government services are in conspiracy with Greenwich university to steal money from you. They want to make you leave the country and go to India. You said you are not going to leave the country and you accepted that this country is a "Police state" and happy to live with this.

Regarding your mental state, you presented casually dressed and appeared well kempt. You made eye contact and engaged well in the review. Your speech was clear and coherent with no evidence of disorder of thought form. Your mood has been reported as stable and you were noted to be irritable talking about the letter you received from the legal team refraining you from sending emails to staff. You continue to express paranoid belief about conspiracy against you by the Government and others which has remained the same over time even with treatment with different antipsychotics. You were oriented to time, place and person. You do not believe you have mental disorder but have been compliant with taking medications.

#### Your mental health related risks

- . To self: You did not report feeling suicidal and no thought to harm yourself.
- . To others: You did not report any thought to harm others.
- . Other identified risks: None.

#### Your crisis contingency plan:

- . For Medical Advice – GP (or out-of-hours GP) should be contacted or you can try NHS Direct 111

I checked my Santander Bank Account to find out whether Slater and Gordon has refunded my £150 paid on Account for legal advice but it has not so far appeared in the Statement of Account.

Kindly let me know North Ford Solicitors review of this matter so that progress can be made towards identifying the correct course of action from you.

Dear Salmaan

Thank you once again for your email of Tuesday 22 March, 11.18 am. So it does not cause problems later, I should spontaneously explain that in the normal course of events, I do not transact any business with Muslims. This is because most are moronic and in my newly-assumed position as Swami Shantananda Ananda Marga Prabhupuda, practicing Sanatan Dharma of Vishishta-Advaita, I cannot lay myself open to pollution and corruption from insects and other inferior beings or humanimals.

However, I provisionally classify you as an evolved muslim, and so exempted from this prohibition. Rest assured I will keep you aware should this classification be disturbed by any observations or misconduct by you, and this I already explained to the Solicitors Regulation Authority whom I unpremeditatedly alerted about your lackadaisical response to my original query.

My email of 18 April 2021 to Mr Forz Khan, Counsel, of Khan Chambers, a practising barrister retained by me, explains this. Since then I deleted my original reference to moronic Muslims because of threats I received from one Mohammed Khan Bakhri who may had an affiliation to the Pakistan High Commission in London

To Mr Forz Khan (Barrister-At-Law)

Dear Mr Khan,

It seems that this kind of continued persecution will not go away easily. When I referred to moronic Muslims, I was not talking about stalwarts like you or Mr Sadiq Khan who are respectable people in their proven professional life. I have nothing but the highest regard for your integrity and fully understand that this is a highly complex matter judging from the BEHENCHOD ORDER from East Kent Magistrates Court (21000225911) even more inapplicable and lackadaisical than the now cancelled Order of Nicholas Parfitt. I have already written to Medway Magistrate's Court appealing against this premature decision to bypass the 28 February arrest warrant against Ms Max Hill the Director for Public Prosecutions as the Head of the Crown Prostetution Service and do not accept that this private prosecution is unconstitutional as Katrina at that Court of Jesters seemingly agreed on 26 Mar 2021. Kindly advise as to your understanding. Please also note my email of the same date to a new solicitor to DGB (re Mediation Services to Clear Personal Debt). Thank you for agreeing to field my 21 June 2021 hearing via your mobile phone.

Yours sincerely

Subsequent to that, Mr Khan, whom I have copied in to this, despite having received an advance payment from me on several occasions, had to be classified as a moronic muslim and failed to represent me in the proceedings against Mrs Theresa May (Defendant: E35YM660). For such including Uyghur primitives my standard message is as follows, fuck off Saale hosadiwale Madarchod Suar Ke Bacche Kahinke Pig-shit Vermine-Worm Phirangi Chootia Behnchod Wanking Fascist Dirt-bag Criminal Bastard Dogs, I will stuff my danda into your diseased gaands for as long as I keep you alive, you arseholes. Are you not satiated with all the pissing and shitting I have done over your Nazi Islamic Number-Two-filled gobar brains enough for 24 years you no-longer nameless or faceless humanimals swimming in the sewer that I have drowned you in? Answer me now, you creeps. I am your piss-artist tormentor, that is what you get you fucking plundering invaders and colonisers of India for 800 years I told you it is my turn on behalf of the millions who suffered under your

predecessor slave-masters in the 'jewel in the crown'. You will never get rid of me until I obtain my escalated demand in a class action against moronic muslims for £ 200 million from the defendants (including you). You think I care for my ego, cuntsacs, when I am a Krishnavatar practising tamasic Shantanu-Dharma? I take the fullest Revenge so am here to knock the living stuffing out of gaandus like you. You show how civilised you are: you are no more than an insect to me. You think I care for my websites or your writs, indigent Jaanwar Chhakka-lok? They served their purpose to crush underheel the likes of you. Apologise humbly on your knees, ladies with your mouth wide open for my use, or you will get more. I take on all-comers in this universe and all universes. For I am fearless, you Shit-bag Muslim Morons. You get it now? Is that understood?

I sincerely hope it does not reach this stage and that you perform your duties and obligations in a professional and satisfactory manner to my liking, and not buccaneer away on your whim. Is that too clearly understood?

My email adddress shantanupanigrahi@yahoo.com has been hacked so you must use only this 3000 gmail one when negotiating terms of our No Wins No Fees arrangement. Thanks.

 The Central London County Court

Dear Sir/Madam

I seem to have received an email overnight from someone who I do not know but writing apparently on my behalf or as a mediator as

FrShanPanigrahi(CAEDizum)cchmctsForzKhanSalmaanIslam(TheTermsofoureengagement)24Mar2022.docs that seems to indicate that the attached Court Orders of the Central London County Court Central London County Court Order on E35YM660dated19January 2021\_receivedbyClaimantfirstat9.27am22March2021(1).pdf; and CentralLondonCountyCourtOrder 21 June 2021 District Judge Lightman.pdf during 2021 have been cancelled and so a fresh trial of the now Prime Minister, Mr Boris Johnson is to be Ordered.

For obvious reasons I am unrepresented as the Claimant.

**General Form of Judgment or Order**

In the County Court at Central London

Claim Number E35YM660

Date 19 January 2021

(The County Court Sealed)

DR SHANTANU PANIGRAHI 1st Claimant Ref

MRS THERESA MAY – PRIME MINISTER OF THE UNITED KINGDOM 1ST Defendant Ref

Z1819776/H019

Before His Honour Judge Parfitt sitting at the County Court at Central London, Thomas More Building, Royal Courts of Justice, Strand, London, WC2A 2LL.

On the Court hearing the Appellant but the Appellant withdrawing from the telephone hearing after making his submission and on the Appellant's request to reconsider the permission to appeal refused by HHJ Letham by Order dated 30 September 2019

**IT IS ORDERED THAT**

1. The request to reconsider permission is refused.
2. The Appellant's application was totally without merit: the DDJ's Order was wholly appropriate as a case management order and the stated grounds of appeal that the Appellant lacked access to legal advice was hopeless and the oral argument put forward that the DDJ was a liar acting as part of a conspiracy to silence the Appellant was absurd (both in its premise and in its substance – since the order under appeal gave the Appellant a final chance to make his particulars of claim good).
3. The Respondent's application for costs of the action must be referred to a DJ pursuant to CPR 3.5 (2)(a) and the Respondent's letter dated 13 January 2021 and two cost schedules contained in the Appeal bundle (in pdf format) shall be treated as application in that respect.
4. The Respondent's costs of the appeal are to be treated as Respondent's costs in the action.

Mobile Phone rang at 12.00 odd. Ignored it to see if a message was left. It was not. Phone rang again. I took it. It was Salmaan Islam of North Ford Solicitors. He asked if I had sent him an email last night as it was from a ShanPanigrahiatDizum.com account. I said No it is part of the UK State's terrorism on me. They have hijacked my Gmail account and send out these emails from the Dizum source. I had reported it all to Kent Police, but they still terrorise me. I sent it to the Court to consider. It was a long conversation, I said they do not wish for me to live in this country for my religious practices. The State does it. The Court has not replied to the email that I sent this morning. He suggested using another email to correspond with him. I said that I have Microsoft Outlook account [shanpanigrahi5000@outlook.com](mailto:shanpanigrahi5000@outlook.com), could he send me an email to this account. He said No that I should send him the email. I said Ok.

I immediately afterwards sent the following email to Salmaan Islam.

*Update:*

Salman Islam did not acknowledge it so I telephoned North Ford Solicitors at 2.00 pm. It went to the switchboard. I asked if Salmaan Islam was available. The man said he is at lunch. I said that he had

asked me to send him an email from my Microsoft outlook account and I am phoning to check that he has received it. He said he would pass on the message. I said that we have been corresponding a lot over the past 3-4 days and it has come to a point that I need action. OK he said. The Call ended.

At 2.05 pm Mobile Phone rang from Salmaan Islam. I asked if he had received my email. He said yes from the [shanpanigrahi5000@outlook.com](mailto:shanpanigrahi5000@outlook.com) email account. He did not mention anything on the contents of the email but we talked briefly. He said that you are taking on the government and ques requires high costs, a barrister and possibly a QC. I said Maybe it would be better for me to wait and see what action Kent Police take against me and defend against it. He said that would be a criminal matter and he only deals with civil litigation. I said that the civil litigation is already proceeding. He said by Appeal questioningly. I said the email that came last night shows that the Claim Form is being processed because Judge Parfitt's Order has been cancelled. To that he said that he would not take any account of what that email says as it is from an unknown source. I did not mention the International Criminal Court to keep my options open. There was no point in continuing the talk, so I said that I was sorry that I had wasted his time. He said that I was right to take legal advice. I said Bye. The Call ended.

#### THE SCIENCE OF HUMANOLOGY

A text came from John (Solicitor) at 18.40 pm : Sorry for the delayed response as I wanted to assign right person for you. Now I am in a position to do it. So far if you haven't found a solicitor my colleague Jonathon is happy to help you'

I replied to the text: Dear John, I am sorry that I wrote that you and Slater and Gordon were disreputable for not assigning a good lawyer sooner. As you can imagine I am desperate to have legal representation. The Solicitor Salmaan Islam did not give me sound legal advice by insisting that I cannot include the arrest matter as a component—update on HQ17X01773 at the Queens Bench division of the High Court where appeal is pending consideration by the Judges Listing Office. Mr Islam said that it would be an abuse of process of court to submit this evidence. So kindly ask Jonathon to contact me. Shantanu.

John replied: What do you mean? I spoke to you Tuesday. As you know we are working round the clock due to surge in requirements in fact, I spoke to Jonathon immediately and he is busy with another work and got back to me today evening. If you wish I can schedule a call with you so he will proceed. You did not tell these stories in full. Well, you can explain it to him in full. As you are aware the economic and social environment is changing in an unprecedented fashion, we are absolutely tight with works, but I went an extra mile to persuade my colleague to speak to you. I will email him now to contact sometime tomorrow. His name is Jonathon Hodge.

I replied: Thank you John and I am sorry for the misunderstanding on my part. Please give me Jonathon Hodge's email address now as the Police are pigshit bastards who can take me away without a solicitor to monitor their actions on vulnerable people like they took away my Duty Solicitor on 16 September 2021. Thanks.

John replied: Unfortunately, police got wide array of powers in investigation. However, everything you can discuss with him. Also, you are aware that English solicitors and barristers keep high standards in communication, ensure that communication are carefully worded. I will speak seek the consent from him to share his email now.

I replied: Can I pay you a Consultation Fee now? If so how much to you charge and what are your Bank details for transfer of funds: Sort Code and Account Number?

John replied: No. We are not authorised to take any money from you without issuing proper client care letter. Jonathon.hodge@nexa.law. You can email him.

The exchange ended and I sent the following email to Jonathon Hodge:

Dear Jonathon

I am sure that John has updated you with our text communications over the past hour or so concerning litigation against Kent Police for which an updated Particulars of Claim is required under

Claim Number HQ17X01773 of the High Court Judges Listing Office as the due process that incorporates the terrorism that it has mounted on me that Kent Police continues to protect the criminals on since the Appeal was formally lodged.

I attach the original Claim Form and wish to make it clear that with the greatest of respects to the Judicial authorities thzt the revival of the Claim with the arrest matter of 15 September 2021 to now is not an abuse of the process of court because justice has not been served since the two orders from Master Eastman were issued suggesting that the original Claim Form was incomprehensible as it did not specify the due cause of the action. Kent Police never submitted a Defence to the counts cited and has since protected Santander Bank in relation to the embezzlement of funds from my Accounts at the Bank.

Thus, since the terrorism has continued the revised particulars of Claim that you are hereby instructed to serve proceedings on is not an abuse of process, nor in stating to the Court that Master Eastman has erred in law quite evidently now was it contempt of court.

Due to the passage of time that has left me with severe mental worries arising from the terrorism that Kent Police has overseen and obstructed justice on as well as perverted the course of justice, the Claim Amount in the Claim Form has risen to £5 million.

Yours sincerely

I updated my book up to this point everywhere and then sent the following text to John (Solicitor): John, the Police did not come to get me last night. I emailed Jonathon Hodge and am waiting for the client care letter. Please hurry Shantanu

John immediately replied: He will take care of it He told he will be in touch with you during office hours today.

I replied: Thank you John

I just checked my Santander Account to see if Slater and Gordon has refunded the £150 paid to the Firm and noted that no such refund has been made.

I can only assume from this that after all Slater and Gordon has decided to keep this Consultation Fee on Account pending further developments on the matter.

Please advise me as soon as possible how the Law Firm wishes to proceed with my complaint to the Legal Ombudsman and the Solicitor Regulations Authority who require me to exhaust the internal investigation before seeking their intervention.

 Dear Mr Hassan  
 Your Reference: PAN2819/1

I wish to register a formal complaint against Ms Lauren Cullen for her failure to provide me with any kind of legal advice over the past 2 weeks since I took the BP Religious discrimination in conspiracy in employment matter to Slater and Gordon for effective resolution.

I do not accept her contention that I would not be able to convince any judge in the Civil litigation pending consideration under Claim Number E35YM660 at the Central London County Court as set

out in the blogpost: CANCELLATION OF JUDGE PARFITS AND DISTRICT JUDGE LIGHTMAN'S ORDERS ON E35YM660 ([theallurementofrealityinreview.com](http://www.theallurementofrealityinreview.com))

Dear Sir

1. Kindly note the following proceedings and advise me because the Pre-Action Protocol with Kent Police has received no response from the Force.

2. Please note that in addition to the extra elements of the Particulars of Claim that I have discussed with John (Solicitor), I wish to add the Prime Minister Mr Boris Johnson, the Prosecutor at the International Criminal Court and the Norway membership of the Security Council together with Wordpress.com organisation as other national and international criminals who Kent Police protected to enable them to terrorise me over the past 5 years especially.

3. John the Solicitor from Bark has just further texted me: 'Let me know how it goes as soon said I directly involve in anything other than corporate and commercial matters. I mean I will not'. This follows the following email that I felt necessary to send to Slater and Gordon Solicitors:

Dear Jonathon

I am sure that John has updated you with our text communications over the past hour or so concerning litigation against Kent Police for which an updated Particulars of Claim is required under Claim Number HQ17X01773 of the High Court Judges Listing Office as the due process that incorporates the terrorism that it has mounted on me that Kent Police continues to protect the criminals on since the Appeal was formally lodged.

I attach the original Claim Form and wish to make it clear that with the greatest of respects to the Judicial authorities the revival of the Claim with the arrest matter of 15 September 2021 to now is not an abuse of the process of court because justice has not been served since the two orders from Master Eastman that suggested that the original Claim Form was incomprehensible as it did not specify the due cause of the action. Kent Police never submitted a Defence to the counts cited and has since protected Santander Bank in relation to the embezzlement of funds from my Accounts at the Bank.

Thus, since the terrorism has continued the revised particulars of Claim that you are hereby instructed to serve proceedings on is not an abuse of process, nor in stating to the Court that Master Eastman has erred in law quite evidently now was it contempt of court.

Due to the passage of time that has left me with severe mental worries arising from the terrorism that Kent Police has overseen and obstructed justice as well as perverted the course of justice, the Claim Amount in the Claim Form has risen to £5 million.

Yours sincerely

 Thank you for your email.

Please read the following and any relevant links below, if your email is answered by the information below or one of the relevant links below, you will not receive a further response.

## **Coronavirus Working Practices**

In line with current Government Guidelines, staff are currently working remotely and only a skeleton staff is onsite. Full details of what this means for the individual departments within the Queen's Bench Division are reviewed and updated constantly, they are published at the following link and can be found under the heading Royal Courts of Justice (RCJ). There is specific guidance related to making payments by phone as the Fees counter will be closed.

### **Phones**

Due to a skeleton staff onsite, phones will only be answered between 10am-2pm. If your query is not urgent, please email us. If you are seeking sealed orders, applications or hearing notices, where possible, please check the electronic case file (CE-File).

### **Filing of Documents/Visiting the Royal Courts of Justice**

If you cannot file a document via the preferred methods of CE-File or email, you can post the documents to our department or leave them in a dropbox just inside the main entrance. If you do visit the RCJ, you will not be able to speak with any staff other than security.

### **Remote Hearings**

The current directive from the Lord Chief Justice is that all hearings will be remotely, either by MS Teams or BT Meet Me unless stated otherwise on our Daily Cause List. If a party requires a hearing in court, then that are to contact the QB Judges Listing office with their reasons and it will be referred to a Judge for consideration. This list is published daily by 4.30pm. Remote hearing directions are sent to organising parties no less than seven days before the hearing date. If hearings are to recommence in person as standard, a notice will be posted on our daily cause list page with as much notice as possible. Hearings by Cloud Video Platform (CVP) can be arranged if required for hearings in court only (hybrid cases).

Telephone hearings will be undertaken by BT Meet Me conference system, and a court associate will cover and record the hearing.

### **Legal Representatives Only**

Pursuant Practice Direction 51O of the CPR, all documents must be filed via CE-File. Any documents received via post or email will be destroyed via confidential waste, only documents with cheques will be returned to you.

Exceptions to the above apply where the court requests alternative filing, advice by Counsel for an approval hearing or stated in another Practice Direction or Part of the CPR. If an order states filing by email, please attach a copy of the order and state the paragraph with this direction.

### **Any Party**

Nothing came so I sent a text back to John (Solicitor) Dear John, I have completed the Pre-Action Protocol on Kent Police.

#### **10.30 am (UK-Time) 25 March 2022**

When nothing came from the Court I replied to John (Solicitor) Dear John, I have completed the Pre-Action Protocol on Kent Police.

John replied: Mr Hodge will speak to you soon if not already

I responded: All right. Hoe he does take my suffering seriously not lackadaisically.

John replied: If any issue call nexa law and ask for Jonathon Hodge.

And Soon afterwards Mobile Phone rang> It was Jonahthon Hodge. He wanted me to give an account what the issue is. I gave precisely what happened from 16 September 2021 invitation to give evidence at the Police Station and that initially I told Kent Police to charge me with any crime and refused to go. Then later I went with my wife as an appropriate adult and in the presence of a Duty Solicitor who advised me I said no comment to all 25 documents under investigation as harassment my me because I had already given my defence document in the form of a Statement. Nothing happened until 24 November 2021 when at my place of work the Police walked into the room and arrested me. I was taken to North Kent Police Station held for 5 hours in detention. I give full answers to all the questions that they posed to me for Stalking this time, and my finger prints and Biometrics were taken. Our desktop computer, my USB Memory Stick had been seized from our house that morning and my Mobile Phone was also taken away. I was then released without bail and handed a document to that effect. Since then I have repeatedly asked for information because the

Police said that the materials taken from us were needed for forensic examination but no information has been provided. I complained to Professional Standards at kent police and the independent office for police concut but there has been no replies.

Jonathon hodge asked who sent the 27 emails and to whom. Who made the complaint to Kent Police abojt them. I replied that the police said the emails were sent to katrina Sale. I said that a year ago I joined the Conservative Party and she was part of the set-up. My membership was terminated. I sent her a couple of emails then. I do a lot of social media and websites so they read and send out offensive emails.

Jonathon asked me for my email address and I gave the yahoo one. He said to send him the relevant documents on this matter. I said these are no longer available to me as the Police have the Desk top computer and USB Memory Stick containing them. I can send you the police release document. The call ended.

An email came from him and the following reply I what I sent;

Dear Rashmi Panigrahi,

We are writing to you in respect of your correspondence with this department, the details of which have been recorded under the above reference number.

We would like to draw your attention to the following guidance from the Independent Office for Police Conduct (IOPC) in relation to who can complain:

This means that, at present, we are unable to assess the complaint and make a decision as to whether it is a recordable complaint under the Police Reform and Social Responsibility Act 2011.

Please provide written consent from Dr Shantanu Panigrahi for us to progress this matter. This consent cannot be typed, and will only be accepted via email if a scanned (or photographed) copy of the consent is included in the message.

Once this information has been received, your complaint will be assessed, and you will be sent a letter informing you how your complaint will be dealt with.

If you do not contact me within the next 28 days, starting the day after this letter is dated, we will assume that you do not wish to make a complaint. In that case it will be our intention to close the file and take no further action.

Subject: Complaint

Good afternoon,

I write this to make a formal complaint about the way my husband, Dr Shantanu Panigrahi, was treated by three PCs on Wednesday, 24th November. PC Nicholls was heading the team.

He was arrested by the team from Tesco Warehouse, Snodland, on day one of his Induction in his new job. He was held in custody for 5 hours and interviewed over two email that were sent from his account to someone named Ms Sale. He came home distressed, stripped of his dignity and me and my daughter had a day of hell. I came out of a running bath to open the door at 8.30am and spent 30 mins with the team, answering their queries. I was in my dressing gown and did not have a chance to dress as they knocked on my door with force. Email from trolls, sent from Shantanu's email address to random people to get him into trouble, email of distressing nature to us from the the trolls to intimidate and harass us, has been reported by us for years and years but no action has been taken but email from Ms Sale from the same trolls in his name has made you arrest him.

It should be noted that my husband is mentally ill and holding someone with paranoia and psychosis in a cell for 5 hours is extremely careless and may lead to him taking his own life when released.

You will hear from his GP soon but please refrain from visiting our house in the meantime. Please allow us to live. I will write again soon when our desktop which has been seized by you is returned. This matter is serious and I am extremely furious that despite explaining about his mental health condition, his new job which could have been therapeutic, details about the activities by trolls, he was treated in such a degrading way and was humiliated in his workplace on the first day of his new job.

Frequent visits to our house by Kent Police has to stop. Please find the trolls, punish them and please leave my innocent husband and me alone. I used to see the Police as protectors but my views have changed.

All afternoon nothing came from anywhere. At 17.04 I texted John (Solicitor) ;He is very lacksadaisical. I give up pursuing Kent Police.

There was no immediate reply nor a call or an email from anywhere.

**18.21 pm (UK-Time) 25 March 2022**

A reply came from John (He is not really a Solicitor but a Manager/Organiser of unknown Surname and unknown address and unknown email address that he does not divulge): 'Yes that is the typical style of English solicitors do not think they are overly enthusiastic as Indian solicitors'.

**18.42 pm (UK-Time) 25 March 2022**

Me to John: John are you the owner of your Firm of Lawyers? Can you find another Solicitor if you are the owner?

John to Me: Yes I am the sole director but we have several shareholders

Me to John: What is the name of your Firm?

John to Me: Johns law partners But we work with nexa and setfords consultants too.

Me: to John: When can I expect a client care letter?

John to Me: Hodge has previous experience in defending wrongful arrest and detention. If I do refer I need to ensure the solicitor have experience in the line.

Me to John: My need is not just wrongful arrest detention it is also religious persecution through hate crime of protecting criminals.

John to Me: Human rights??

Me to John: Obstruction of justice.

John to Me: Let me think. By the way why you are so much worried about the investigation as usually it may take sometime and any interview will be under the presence of duty solicitor

Me to John: I am not worried in the least now because I want my day in court as soon as possible.

They have not got a leg to stand on after the manner in which they framed allegation of me harassing Katrina Sale and then later stalking. It was a trumped up allegation to give me some kind of prison sentence by linking up with Judges or Magistrates. The State wanted to defame me.

**23.10 pm (UK-Time) 25 March 2022**

I updated the book in Lulu, internet archive and my websites and posted the following, tweeting, facebooking and posting it on LinkedIn:

Re, My Conservative Party Membership Number 529641094 (renewed)

Due to the theft of my family desktop PC, UBS card and old broken phone by the boy-friend of Ms Katrina Sale, one Paul Nicholls, it is now increasingly difficult for me to send out discreet communications.

Although I never used those devices for my private purposes, I had to adapt my procedures to deal with buccaneering invasions without warning committed by jaanbhosadiwale suars like Nicholls.

Today I instructed Slater and Gordon Solicitors to commence proceedings against the Conservative and Unionist Party for breach of promise.

Your representative Katrina Sale did conspire with person or persons unknown to send me harassing and intimidatory emails, under the name of Kubla Khan using fraudulent email address possiblynotarealdoctor90@yahoo.com, all for and on behalf of the Conservative and Unionist Party of the United Kingdom as part of her contractual duties. Whether or not this is connected to the embezzlements from my Santander Bank Accounts I cannot say but until this is resolved the proposed merger between our Parties must be placed on indefinite without-prejudice hold.

I will be seeking exemplary damages of twenty million pounds sterling as a Satya-Dharmayudhi.

I now declared myself Swami Shantananda I. It is in this sacred august capacity that I renew and reiterate and reinforce my demands that, her having made the overtures to me so to inflame me, this Katrina Sale now,

without further delay or procrastinations, nonchalantly and peacefully submits to my unpremeditated Will. I prescribed for her a few intimate, enterprising preparatory exercises to improve her readiness, but due to the complete lack of satisfactory communication from her side I am at a loss as to whether or not she has performed them, especially yogic and conjugal dilations. It is in her own interests that she spontaneously complies.

Is that understood, or will legal proceedings have to progress, also escalation to Sam Dumitriu and Philip Salter? You have ten days in which to make your counter proposal or signify acceptance. I warn you that my High Court and City of London Central Court legal cases ME010463 in which HQ17X01773 was enjoined, with E35YM660, will cause an acute and lasting embarrassment to Mr Boris Johnson and may bring down your whole government.

Please note the following email that I received from somewhere and since it is copied to the Conservative Party of which Mr Boris Johnson is the leader as well as being the Prime Minister of the country, it is a government matter. I attach my last email to Katrina Sale: To Katrina Sale 2 Dec 2021.docx.

Do you believe that you have a civil case against me for intrusion of privacy, or stalking or harassment by me in relation to around 25 emails that you might have received from this email account to cause you distress over the past three to four months? I am Stateless so by definition do not belong to the State of the United Kingdom or any other State of the world and do not recognise the United Nations as a Union of those States.

Since the law separates legal matters into criminal law (violations of the functionality of the State in relation to its Constitution) and civil law (violation of personal rights to not being harassed or intimidated or stalked etc), being Stateless I cannot be prosecuted by the Kent Police in relation to the attached summons served on me.

But as a person who has social duties, rights, obligations to others, if you do feel that I have personally offended you in any manner since I joined the Conservative and Unionist Party and then left the Party, I am ready to see your evidence of what has happened in this regard since the Police read out approximately 27 of those documents to me over two interviews that took place.

In this regard the precedence has already been set in my civil claim against Mrs Theresa May when the County Court of Central London asked me yesterday to apply, not to appeal the 21 June Order of the Court but to have it set aside and I did so enquiring whether the costs to this Defendant of £4170 awarded in that Order will be repaid to me if the application to set aside the Order proved successful.

Similarly, I am copying this email to the Queens Bench Division of the High Court where I am reactivating my Claim against Kent Police on a civil case of £5 million in damages and compensation. Being Stateless does not allow me to pursue the criminal case against Kent Police against East Kent Magistrates Court but I await the Judgement of the Court on the progress of these civil Claims.

If you do decide to proceed with a civil case, I will deny that I have committed any civil offences towards you.

Yours sincerely

Two years have passed by and what I said then still stands. Being an intrinsic part of the global society generates experience-based learning for which there is no substitute. Holy scriptures are nothing but words and brainwash the mind away from Reality. Meditation does not deal with the external Reality unless and until yoga is simultaneously practiced. So i always look out for means to interact.

Someone is tryig to play mischief. He said He will let the company know. I asked then is there any chance that I will get my job back. He replied you must have got a letter from BP terminating your contract and there are no plans to give you your job back. I said OK Thank you. Call ended.

### CORNERING THE PERSECUTORS FINALLY

This is how the truth path of a Visista-advaita progresses towards safety and emancipation with the concomitant restoration of the reputation that such a spiritual path leads to sanatan Dharma in oneness with the proceedings preordained and pre-orchestrated in the universe in which one simply nonchalantly, spontaneously and unpremeditatedly acts to instinctive awareness from a sound knowledge base acquired from the pursuit of truth.

I had titled this Section of my book under the theme 'The Allurement of Reality' as Science, Religion and Philosophy and this is the result. The State has been told legally to clarify what issues it has against me in writing, something that was hidden from the world to maintain the secretive police state of the United Kingdom but truth has finally unravelled the Establishment. The Defence has already been deposited in terms of mental illness of paranoid schizophrenia and persistent delusional disorders, now judgment is pending, and it has to come within hours, as email has been fired into the State and proceeding must be clarified at no risk to me due to the fact that it is the State that enforces antipsychotic, antidepressant and mood stabilising medications into me so the defence is pleading insanity. And who would argue against that after these 23 years of Psychiatric diagnosis and treatment that the Court justified in Claim E35YM660 by ordering me to pay the Cabinet Office £4170 in Costs of the Appeal. The State cannot have its cake and eat it.

John to Me: 'Hello u made a mistake as your system will not work here like you are doing I will not involve in any matters other than corporate and commercial law'.

To BP

I have communicated in very pleasant terms with Mr Chiran Rai at BP Lenham concerning the dubious circumstances under which my employment was terminated on 11 March 2022, which was a disappointing end to something that I loved doing on a parttime basis of 24 hours per week.

I had apologised on two occasions for any transgressions of company policy with regards to certain emails that I sent Vicky Martin concerning my sick notes from the doctor that I was in a rush to get across. Whilst I accept now that I know the precise business set up under which BP operates, I was and remain loyal to the company and appreciate the 500 Consolidated shares that I was given days prior to my dismissal from service.

Although the doctors say that I am paranoid schizophrenic with persistent delusional disorders it has never come into play in my attitude to work nor my capability. I have as explained to Mr Rai required instructions in writing so that I knew precisely what was required of me in the work as part of the team. This took time and I had not grasped the importance of the strict instructions that workers should not send emails to the personal email address of any of the colleagues but to telephone and get the instructions on the phone.

Since my work was of a good standard otherwise I feel hard done by BP's decision to dismiss me from service before the completion of the probation period. I am writing this to determine if there is a Fair Hearing process at BP to which I can make representations to enable me to return to work at BP Lenham or any other site of BP such as the one in Chatham.

I would appreciate it very much if I could have a written reply to this email so that I can feel free to apply also for other employment at BP unless I have been placed on 'not for rehire' list.

Thank you for your kind attention.

Dear Benny Pee

I got a reliable tip-off from the judicial authorities that you are an idiot and an embezzler, practising law with a deficient licence, and making dirty money as a go-between with junior lawyers like Hodge encouraging your unknowing victims to engage in expensive fruitless proceedings which will only prove ruinous to their Santander Bank Balances and their mental health. You may also have links with organised crime. The Law Society, Bar Standards Board, Solicitors Regulation Authority etc have never heard of you and the only mentions of you or your firm on the internet are in your own boastful buccaneering website. You cannot even write in grammatical or sensible language "Our teams cross-check all your online business terms and conditions, whether safe from unharful attack or not." You have no "teams", Mr Hodge inadvertently revealed you are a lone operator or loan operator.

Is this true? If you do not reply satisfactorily within 24 hours, I will fire you and this careless fool Hodge and instead accept the offer from the leading lawyers Mr Salmaan R. Islam of North Ford Solicitors and Ms Lauren Cullen and Mr Paul Reddy of Slater Gordon Solicitors who cautioned me about dealing with disreputable firms like Nexa and Johnslawpartners operating on the margins of what is lawful.

In the interim, I reported 07791955977, 02075047071 and 01691779307 to Action Fraud and the Office of the Information Commissioner for attempted extortion and other fraudulent activity.

How unprofessional is this Junior, Hodge, can be judged because he insults his potential victim/client as a 'Piece Of Sh\*\*'(POS), his Nexa logo filename is 'Nexa-Law-Logo-Landscape-RGB-POS'

I will be blogging all of these outrageous terrorist attacks on my person so no longer will you Benny Pee John be able to operate under the radar inveigling surfers.

As I wrote to Mr Salmaan Israel on 23 March at 1.22pm, "I was waiting to see if I would hear from Slater and Gordon or this fellow by the name of John (very disreputable as it turned out) before

responding to your email." I blogged this too and reported it to District Judge Lightman and Mr Justice Nick Parfitt.

You will eventually understand how a Master Escapologist in Vishista-advaita Sampradaya Lingamraj is still able to live nonchalantly in liberty within the samsara yet attained through spirituality alone, but there will be a large financial cost to you. Is that understood sufficiently? I will next address the matter of compensation you need to pay me.

John to Me: I have nothing to do with criminal matters please ask Hodge. I just referred him coz of goodwill. I do not intend to make monetary gains from you or Mr Hodge. This was purely a goodwill gesture. No referral fee or fee sharing in your matter. So it is up to you to decide you want to proceed with him or not.

Me to John: Of course I want to proceed with him.

Wow, thank you so much! We've been blown away by your support 🙏

Last month we visited Downing Street with our friends at Greenpeace and 38 Degrees to hand in our #CutTheCutlery petition which was signed by YOU and an incredible 118,000+ people all calling for the government to act NOW to stop plastic pollution.

It's been quite a journey to get here, but we're so close to seeing some of the most polluting plastics banned, forever. And that's thanks to YOU and your support! But there's more to do and we need your help to do it. We need this ban to come quicker, and we need the government to take meaningful action on other polluting items like wet wipes - and to then set overarching legally binding targets to cut plastic pollution.

We've launched a Crowdfunder appeal to help raise some much-needed funds to enable us to keep pushing the government and to hold them to account. Can you help us reach our target? Each and every penny raised will go directly to fund our campaigning work – helping us have an even bigger impact.

### DONATE TODAY & HELP US CREATE HISTORY

Our entire staff team is smaller than one department in the government. They have more experts, more research capacity, more reach - and yet seemingly none of the urgency. That's why we need to gently - but forcibly - nudge them in the right direction.

Together we can take on the big fish, Boris's government, and ensure our oceans thrive again.

A huge thank you for all you've done so far.

With love from us and from the oceans,

Team City to Sea

**09.09 am (UK-Time) 27 March 2022**

This is the start of a conversation from Swami Shantananda to promote peace and harmony in the world: so far religion has kept man apart, where is the common ground of humanity?

<https://www.knowledgeforworldconservation.com/post/a-new-horizon-awaits-me>

A New Horizon awaits Me

<https://www.crowdfunder.co.uk/p/i-am-swami-shantananda-dedicated-to-world-peace>

On this Sunday, I as Swami Shantananda is embarking on a new path given that I am 65 years old and 2 months and living still.

All the human conflicts require us to consider carefully the causes of war and the way to regulate human conduct in a manner that nationalistic and fascist elements are removed and harmony across the world is attained.

We need to consider why human beings who are capable of such a high degree of peaceful existence as we see in many cultures such as Buddhism, Jainism, Bishnoi cannot be assessed given that these have survived alongside States for over 3 thousand years.

We are individually brought up to false notions of what is the purpose of life, because no one has determined what the Creator had in mind in the ascent of man through the evolution of the species from its origins billions of years ago. Most human beings do not even consider that some kind of Creator exists who has left life forms with free wills to determine how they should live on this planet Earth.

Of those who do accept that there is a Creator God, they are bogged down to their scriptures and rely on past assessments of what the Commandments were from a God in terms of moralities and dharma of duties and responsibilities which are tied into the culture and traditions of localised communities.

A broader view is never taken that regardless of the colour of the skin or the language that people use to communicate with each other the development of cultural states generate nationalism and others promote this to preserve their way of life. Only lip service is paid to high ideals of democracy and in particular libertarian democracy.

Man destroys what has been so carefully assembled as we see in different parts of Europe and the Middle East.

So what can be done about human conflicts is the essential question. How can peace be attained globally so as to preserve the planet that is our common homeland, the homeland of humanity.

We need discussions and conversations, not shove all the issues and problems under the carpet and let different world leaders fuel the fire burning by their ego-base materialism seeking a legacy, fame, fortune, and power.

Dear all

I wish to make it clear that I had nothing to do with the sending out of the attached email yesterday (FrSwamiShantanandaCAEBennyPJohnexposedbySwamiShantanada26March2022.doc); and do not even know which of the judicial authorities had issued the tip-off that is being referred to in the email.

I am therefore seeking clarification on the source of the judgment, if judgment has already been issued on OTP-CR-76/22, E35YM660, and HQ17X01773 or any Case Number assigned to the matter by the North Kent Magistrates Court.

Yours sincerely

 Dear Benny Pee

I got a reliable tip-off from the judicial authorities that you are an idiot and an embezzler, practising law with a deficient licence, and making dirty money as a go-between with junior lawyers like Hodge encouraging your unknowing victims to engage in expensive fruitless proceedings which will only prove ruinous to their Santander Bank Balances and their mental health. You may also have links with organised crime. The Law Society, Bar Standards Board, Solicitors Regulation Authority etc have never heard of you and the only mentions of you or your firm on the internet are in your own boastful buccaneering website. You cannot even write in grammatical or sensible language "Our teams cross-check all your online business terms and conditions, whether safe from unharful attack or not." You have no "teams", Mr Hodge inadvertently revealed you are a lone operator or loan operator.

Is this true? If you do not reply satisfactorily within 24 hours, I will fire you and this careless fool Hodge and instead accept the offer from the leading lawyers Mr Salmaan R. Islam of North Ford Solicitors and Ms Lauren Cullen and Mr Paul Reddy of Slater Gordon Solicitors who cautioned me about dealing with disreputable firms like Nexa and JohnsLawPartners operating on the margins of what is lawful.

In the interim, I reported 07791955977, 02075047071 and 01691779307 to Action Fraud and the Office of the Information Commissioner for attempted extortion and other fraudulent activity.

How unprofessional is this Junior, Hodge, can be judged because he insults his potential victim/client as a 'Piece Of Sh\*\*'(POS), his Nexa logo filename is 'Nexa-Law-Logo-Landscape-RGB-POS'

I will be blogging all of these outrageous terrorist attacks on my person so no longer will you Benny Pee John be able to operate under the radar inveigling surfers.

As I wrote to Mr Salmaan Israel on 23 March at 1.22pm, "I was waiting to see if I would hear from Slater and Gordon or this fellow by the name of John (very disreputable as it turned out) before responding to your email." I blogged this too and reported it to District Judge Lightman and Mr Justice Nick Parfitt.

You will eventually understand how a Master Escapologist in Vishista-advaita Sampradaya Lingamraj is still able to live nonchalantly in liberty within the samsara yet attained through spirituality alone, but there will be a large financial cost to you. Is that understood sufficiently? I will next address the matter of compensation you need to pay me.

Yours sincerely

John to Me: It was an absolute nonsense and irritating that you send such email as I had no involvement in your case not even mad or intended to make any penny from you but wasted many hours for you. I thought you are a religious leader.

Me to John: I did not send the email. Some criminal trolls who do not like my religious practices sent it by hijacking my name and email account. I am sorry that they victimised you for helping me. They have done this kind of thing on me and my associates for 5-6 years. I lost several jobs and even my Consultant Psychiatrist and Care coordinator were harassed by such fictitious emails. They should be traced and punished. Take legal action now.

John to Me: Thank you for clarification

Me to John: This is serious, but I will carry on living my peaceful religion.

Why planning is dangerous according to Swami Shantananda

<https://www.knowledgeforworldconservation.com/forum/spirituality/why-planning-is-danerous-according-to-swami-shantananda>

in Spirituality

Do not plan, planning is terribly materialistic. Be free and live spiritually. Then good things come to you. The mind should not be cluttered with objectives, aims, mission, anticipations and expectations other than to attain peace, for peace for the individual brings ananda which is a spiritual treasure.

If you entertain actions designed to hurt someone your own mind is in turmoil so there is loss of peace for oneself and you become necessarily alert to the possible repercussions of your actions. Such a state of alertness and readiness to effectively attack someone or pursue an objective such as fighting off attacks or resisting intrusions lead to suffering and loss of peace of mind. Stay still if all avenues for material welfare are closed consequently. Otherwise, you further waste time and money so drift into poverty. Be satisfied and content with what little you have after doing everything spontaneously, nonchalantly and unpremeditatedly for your actions. That is freedom and liberty.

Planning gets the mind stuck to aims and generates fear of the unknown in a totally uncertain future so that when you face an action whether positive to you or negative you cannot react instantaneously to take advantage of the positive opportunity that comes nor react with survival instinct to the negative and intrusive dangers that confront you. Stillness of the mind is peace that makes one live in automatic awareness of any given situation for ones correct reactions towards material and spiritual welfare. Wait for the doors to open. Then walk is positively and constructively to see and explore new horizons and destinations in life. That is the freedom to live the purpose of living.

In short, do not dwell in the past. The knowledge from ones experiences is there in the memory should the next moment's circumstances need it for positivity of mind.

END OF STORY: THE ALLUREMENT OF REALITY
